

## Pre-Teen & Teen Adv Camp - July 2, 2010

Teen Adventure Camps News Letter:

Summer 2010 started off with some great weather and a great first week of camp. We have all been able to meet new friends and go on some awesome trips. Everyone had a blast at Camel Beach and bowling at Eagle Rock Lanes. Congrats to Tyler for having the high score of the day with a whopping score of 125. Everyone was highly competitive while at outdoor lazer tag today. We also went swimming at the South Orange Town Pool.

While at the park we have been playing lots of field games. The Teens have really gotten into learning new games such as Steal the Bacon, Evolution, a variation of Capture the Flag and Tennis. We are working hard to prepare our service project for session two.

This year both the teens and pre-teens will be planning and implementing a YMCA Carnival for all the other South Mountain YMCA camps. They will work together picking out prizes, designing and implementing games, running face painting booths and handing out refreshments. The carnival is on July 28<sup>th</sup>. We are looking forward to this epic day.

Remember, our trip on Monday, July 5<sup>th</sup> has changed due to the ESPN Zone closing. We are now going to **Powerhouse Studios**. The campers will need to bring a lunch for this trip. On Wednesday, July 7<sup>th</sup> we are having field day all day in the park with the Sussex County Teen Camp. We will be providing the campers with pizza and water. Friday, July 9<sup>th</sup>, we will be going roller skating at United Skates of America.

We are looking forward to the rest of the summer with great activities and fun trips to go on. Remember you can add weeks to extend your teen's stay at camp. Single weeks are \$330 per week. Please contact the YMCA office at (973) 762 – 4145 if you need any information.

Thank you for choosing the YMCA for your child's Summer Camp experience!
