

Pre-Teen & Teen Adv Camp - July 9, 2010

Teen Adventure Camps News Letter:

It has been another awesome week at the Teen Adventure Camps. Given the fact that it has been very hot, we have made a point to play lots of water games and keeping creative with many ways to cool off and get wet!

We had a last minute cancellation from the Sussex County Teen Camp for the field day on Wednesday. The field day was turned into a Battle of the Sexes. The guys and gals competed against each other all day in various competitions such as Scategories, Rock Paper Scissors, Shoe Golf, and Hit the Deck. We all enjoyed pizza and watermelon. At the end of the day the guys came out victorious.

Everyone had a great time at Powerhouse Studios in the wacky game show on Monday. Many teens got pies in the face and some campers even were slimed. The teens won coins to redeem prizes, and we enjoyed a great ice cream sundae bar and video games. The pool was a refreshing escape from the heat on Tuesday and Thursday. Today we had an awesome time roller skating at United Skates.

Next week is jam packed with amazing trips and activities. We are going to the New York Aquarium on Coney Island on Monday. The Pre-Teens are swimming at the South Orange Town Pool on Tuesday, Wednesday, and Thursday, and will be having a special Pre-Teen only Friday night party at the YMCA (*The drop off time is 7:00 and pick up is 10:30 pm*). The Pre-Teen party will include dinner, dessert and lots of games in the gym. The Teen campers are going to Fairview Lake on Wednesday to spend the night outside under the stars in tents and return to camp for a normal day on Thursday. *Be sure to check on the website for the list of items that are needed for the trip.* On Friday both Camps will be playing miniature golf.

We are looking forward to the rest of the summer with great activities and fun trips to go on. Remember you can add weeks to extend your teen's stay at camp. Single weeks are \$330 per week. Please contact the YMCA office at (973) 762 – 4145 if you need any information.

Thank you for choosing the YMCA for your child's Summer Camp experience!

Hope everyone has a great weekend!
