

## Pre-Teen & Teen Adv Camp - July 16, 2010

Teen Adventure Camps News Letter:

The first session of camp has ended with a bang. Both teens and pre-teens had a busy week with trips, activities, and rain. The New York Aquarium was great this past Monday – everyone enjoys a live sea lion show. Wednesday the older group –Teen Adventure Camp - had an amazing camping at Fairview Lake. They enjoyed swimming, boating, rock wall climbing, and archery. The preteens had fun dancing in the rain and playing a bunch of indoor games where the girls beat out the boys even though they were out numbered by the boys in the games. Both camps aimed for a hole in one at mini golf today. All of the preteen are really excited about the party to-night. It should be a blast. *(Reminder - the party is from 7pm until 10:30pm)*

Next week begins Session 2. There are some exciting trips planned throughout the session. On Monday, July 19th, we are going to Funtime America, on Wednesday we will enjoy a trip to the beach, and on Friday, we will head into NYC for lunch at the Hard Rock Café! We are also going to be putting some final touches on the planning of the first annual YMCA Camp Carnival that the Teens and Pre-teens will be hosting on July 28<sup>th</sup>.

We hope everyone has enjoyed the first session of camp. We are sad to see some campers leave. Please remember that you can always add more weeks to your child's camp experience. Please contact the Y office at (973) 762-4145 for more information. For those of you who are leaving us for the summer, please look for an email asking for your participation in a short online Camp Survey. It is only with your feedback and ideas that we can continue to be successful.

Thank you all of an awesome First Session and Thank you again for choosing the YMCA for your child's Summer Camp experience!

Hope everyone has a great weekend!
