

## Pre-Teen & Teen Adv Camp - July 29, 2010

Teen Adventure Camps News Letter:

This has been an amazing week at camp – and it is not even over yet! The campers had a blast at Six Flags Great Adventure this past Monday—riding the rides and playing games and they are all looking forward to Friday’s big Capture the Flag Game and our *mystery activity*. There is all sorts of buzz around camp about what it could be! We are sure it will be a crowd pleaser.

On Wednesday, **the Teens and Pre-Teens did an incredible job at the 1<sup>st</sup> Annual Y Camp Carnival**. The campers were directly responsible for the design, organization and execution of this event - all the more impressive because this was the first time it has ever been held! The campers acted as hosts throughout the day - Leading over 600 Y campers through assorted games, rides and activities galore! Everyone had lots of fun. **The Pre-Teen & Teen Adventure Camps counselors and the staff of the entire South Mountain Branch are extremely proud of the campers for their dedication and hard work on this awesome event!**

Teen Camp is looking forward to the overnight this Friday night– July 30th. The campers have a normal day and all Teen Campers are invited **back at 7:00pm**. The pick up for this overnight is **9:00 am the next morning** on Sat, July 31st . Please visit our Teen Adv Camp Webpage where you will find a list of items to bring to the overnight.

Next week we are gearing up for the last week of our second session. The trips are Lazer One (an indoor lazer tag center), Ripley’s Believe It or Not (museum in Times Square, NY) and bowling at Eagle Rock Lanes. It is sure to be a **colorfully** fun week of camp. Hint hint ....

Please remember that you can always add more weeks to your child’s camp experience. Please contact the Y office at (973) 762-4145 for more information. For those of you who are leaving us for the summer, please look for an email asking for your participation in a short online Camp Survey. It is only with your feedback and ideas that we can continue to be successful.

Thank you again for choosing the YMCA for your child’s Summer Camp experience! Hope everyone has a great weekend!
