

CAMP BUS STOP LOCATIONS

SOMAPY CAMP

- ◆ Select a location close to your home or choose the YMCA bus stop (see below for location). Enter that location in the Bus Stop Location section on your child's Camper Information and Health History form. You may select a different Pick up location from the Drop off location.
- ◆ **If your child is using YMCA Before or After Camp Care** write "AM Care" and /or "PM Care" on the Registration form where the Bus Stop information is requested.
- ◆ **The Bus Pick Ups start at 8:30AM at the YMCA bus stop location** and end just before 9:00AM. The Buses start dropping the children off at their respective afternoon bus Stops at 3:45PM and **end at the YMCA Bus Stop just before 4:15PM.**
- ◆ Before each session, a Bus Stop Schedule will be established based on that session's current registration, and it will be emailed on the Thursday or Friday before the start of each 3 week session. Copies will be available in the Welcome Center and copies can be sent home with the campers if requested.
- ◆ Bus stop times can change from session to session because they depend on how many campers are registered and requesting each of the specific bus stops.
- ◆ Changing a Bus stop location cannot be done less than a week before the start of a session.
- ◆ When picking up or dropping off your camper, please exercise caution at their bus stop.
