

# **Walking Slip and Photo Permission**

## **Walking Permission**

I give permission for my child \_\_\_\_\_ to participate in walks or trips within the center's neighborhood without any additional prior approval. My child may also enter a building in order to use bathroom facilities. If a bathroom stop is needed another child as well as a staff member will accompany my child.

## **Photo Permission**

I give permission for the center to PHOTOGRAPH my child participating in the activities of the center. These photographs may be displayed or used in the YMCA literature or in press releases.
